HEAVY DUTY LUG KIT 121 pcs.

KIT OF THE MONTH

These heavy-duty lugs are made of 100% tinned copper to aid in the prevention of corrosion. When using our solder slugs your connections will tend to be more robust and durable over time, particularly in environments with vibrations or movement.

Part Number	Total Pieces	Metal Box	Price
HDLS-KIT-SP	121	LMB-21	\$311.18

Kit includes:

- 64 heavy-duty starter ground battery lugs in cable sizes ranging from 4 gauge through 4/0
- 46 solder slugs ranging in size from 4-4/0
- 10 pieces of dual wall adhesive lined heavy duty shrink tubing precut in 1 1/2" lengths
- 2oz. container of soldering paste

\$269.00
Special Pricing For a Limited Time Only
Savings of over \$40!
