#### Why use Opti-Seal Terminals?

- Made in the USA
- Clear shrink tube makes for quick and easy visible inspection
- Easily identifiable sizes using color coded lines, which also double as marker for perfect crimping location
- Longer necks on the ring terminals make these ideal for stacking

#### Kit Includes:

- Crystal clear Opti-Seal adhesive lined shrink ring terminals, quick disconnects and butt connectors in 22-18ga., 16-14ga. and 12-10ga.
- A ratcheting crimper for 22-8ga. insulated terminals

### BriteZone™ LED Work Lights

- Affordable LED lights designed to work rain or shine, day or night, wet or dry
- LED power that far outshines halogen
- Flood pattern with cool white color
- Rugged, durable construction
- Die-Cast aluminum housing
- Stainless steel bracket
- Polycarbonate lens
