

TERMINAL SUPPLY CO.

WE'VE GOT IT. WE'LL build it. WE'LL solve it.

AUGUST 2025 KIT OF THE MONTH

CRIMP / SOLDER / SHRINK TERMINAL KIT
190 pcs.

MADE IN USA

ABOUT THIS KIT

- » This kit includes an assortment of crimp, solder, and adhesive lined shrink terminals.
- » 19 different sizes are provided for 22 ga. through 10 ga. wire
- » Also included are rings, quick connects & splices
- » New and improved lead free solder with greater surface tension - solder stays in place for greater tensile strength
- » Solder sleeves are tin & bismuth alloy as compared to other solder sleeves containing both lead & cadmium which is harmful to the environment
- » Lower solder melt temp. of 138°C compared to 145°C for the competition
- » Tubing does not impede flush surface of ring
- » Terminals are supplied in a large 24 compartment metal drawer with 190 total pcs.
- » RoHS compliant
