Magnum Super Premium Mechanics Length Drill Bit Kit

Why use our 175AG drill bits?

- Offers type 175AG Series 1/16 - 1/2 by 64ths
- 3 flats on shank (3/16" & larger) eliminates slippage in chuck
- Made of Hi-Moly tool steel which enables it to be made thinner & sharper to cut through stainless much easier than cobalt
- Nitro-carburized flute gives it substantially longer life
- 135° point takes a smaller chip, resulting in less heat
- Split point design eliminates drill walking
